CHICAGO COOK
WORKFORCE PARTNERSHIP

A proud partner of the [AmericanJobCenter](#) network

The Chicago Cook Workforce Partnership is the non-profit umbrella organization that operates the largest public workforce system in the country.

We can connect you with ready-to-work, talented residents in your community.

Train and Retain

- Identify and create **customized training plans** and develop innovative programs for current employees and new hires.
- Implement **train-to-hire initiatives** to create a pipeline of pre-trained new hires who can “hit the ground running.”
- Connect to **tax incentives and training reimbursement grants**, creating cost savings that can be reinvested in a business.

Recruit and Hire

Let The Partnership’s workforce professionals assist with your staffing needs through:

- Job posting and recruitment
- Candidate referrals
- Pre-employment screening
- Skills assessment

Avoid Downsizing

In anticipation of company lay-offs, The Partnership will work with your company to prepare affected workers and connect them to resources to help them get back to work.

All services are provided at no cost to your business. Get connected today.
